

# Starting June 7<sup>th</sup>

Seeking God through His Word,  
worship and prayer.

## @ every 5pm Sunday mass.

### What is Kid Quest?

At the beginning of the Mass, after the opening song, your registered child will be invited to head to the back of the Sanctuary to join our Crowd Ministers who will escort them to the Gym for QUEST for Song, Message and Prayer. The children will be returned to the Sanctuary to join you after the Liturgy of the Eucharist for the closing prayer and song. This is intended for potty trained children who haven't yet celebrated First Communion. Registration will be at the Welcome Center 15 minutes before Mass.

- **Children learn lyrics and motions/dance to an opening worship song they will sing together.**
- **Children learn why and how we do the Sign of the Cross**
- **We model what is done in Mass, teaching the children spontaneous prayer models as well as using traditional prayers.**
- **We read the Gospel and act it out or use storytelling and testimonies to help the children understand and relate it to their lives.**
- **We review the main message of the readings and impart a catchy phrase or bible verse to help make it memorable.**

### VOLUNTEER OPPORTUNITIES

*WE CAN'T DO IT RIGHT WITHOUT HELP!*

#### **Crowd Ministers:**

Escort the children to and from the Mass. Also help to engage children during the program and tend to needs of kids as they arise while in our care.

#### **Welcome team:**

Be present 15 minutes prior to Mass to help families register for QUEST and provide any general information about KIDS ministries at

#### **Story teller (Gospel):**

Leader would need to be familiar with readings and comfortable speaking to children in a way they understand. Scripts would be provided in advance to help prepare leaders to deliver the message effectively.

#### **Minstrel (Worship leader):**

Leader would need to be comfortable up front, energetic and passionate as they encourage the kids to participate. Most songs have DVDs to facilitate teaching motions and lyrics.

*As volunteers step forward, QUEST teams will form so a rotation can occur. The goal would be a bimonthly commitment of service.*

Even if you don't fit into the roles listed but feel called to be a part of this program, please reach out, there is always a way to contribute!
